

Are your employees properly inducted?

We can help sort that out for you.

Are you struggling with either too many or not enough systems to manage risk?

We offer one platform that would serve all your needs.

Is your supply chain team struggling to manage all your vendor's compliance?

We take the complexity out of vendor and employee compliance.

Our Mission

To provide industry-leading, cost-effective solution that improves operational performance and enhances the compliance and safety culture within organizations.

Who are we

We are highly experienced professionals with a vast knowledge of the global sourcing process. Our services span the entire range of supply chain management, from top level strategy to immediate daily needs, contractor compliance oversight and business risk, allowing us to deliver best-in-class solutions to our clients. Leveraging our extensive, hands-on knowledge with leading contractor management tools, we provide comprehensive vendor control.

Our Services

- Vendor prequalification
- Employee induction
- Vendor audit
- Document Management
- Vendor evaluation
